

■ YOUR SYLLABUS. YOUR AI.

AI in the *Classroom.*

AI LITERACY SERIES · SESSION 3

POWERED BY GOOGLE NOTEBOOKLM

Tired of AI making things up?

Stop prompting the entire internet. Come to the lab — your documents, your AI.

3 THINGS YOU'LL WALK AWAY WITH

1

■ Your AI Teaching Assistant

Build a NotebookLM assistant trained only on your syllabus — not the entire internet.

2

■ Instant Study Guides & Quizzes

NotebookLM generates them automatically from your own PDFs — in seconds.

3

■ The “Deep Dive” Podcast

Turn your research into a conversational NotebookLM audio summary in two clicks.
